915 26th Avenue Northwest

Gig Harbor, WA 98335

Fresh Northwest Design specializes in custom etched bottles. We design, etch and hand-paint bottles for wineries, distillers, brewers, charitable events, corporations, & other organizations. From our studio in Gig Harbor, Washington, highly-skilled artisans use specialized techniques to produce hand-made etched and painted glass artistry for organizations throughout North America. Fresh Northwest Design is considered the premiere bottle decorating studio, with many of our bottles found in treasured private collections around the world.
